WINES

Despite its size, Portugal has an incredible diversity of vineyards. It is one of the countries with the largest number of indigenous grape varieties in the world (around 300). This means we have a very versatile production for even the most demanding connoisseurs. In order to illustrate this list in a more straightforward manner, we decided to do it by different areas, as if we were to take them as the terroirs that subdivide the country - Atlantic, Valleys and South.

ATLANTIC: Minho and Vinhos Verdes,

Beira Atlântico and Bairrada, Lisbon

VALLEYS: Douro and Trás-os-Montes,
Dão and Beira Interior, Távora-Varosa

SOUTH: Tejo, Alentejo
